Horse Nomination Forms for year-end point is a separate form and must be completed each calendar year.

Mail to: IQHA, PO Box 7, Ashmore, IL 61912

All memberships are on a calendar year basis. January 1, 2017 – December 31, 2017

Points for year-end awards will begin to count once Nomination form is received in addition to the membership form. If the youth is not the owner of the horse being shown, the owner must be a member of IQHA in order for points to count towards year end awards.

It is incumbent on the owner/exhibitor to check that indeed their horse is nominated in the appropriate categories. If the horse/exhibitor does not appear, the owner/exhibitor is to call IQHA to rectify the situation prior to the end of the point year (which for IQHA would be November 1).
