The AQHA Executive Committee has waived the traditional qualification requirements for the 2021 AQHA Versatility Ranch Horse World Championships, AQHA Ranching Heritage Challenge Finals and the 2021 Built Ford Tough AQHYA World Championship Show. AQHA has established two options to compete at the 2021 Ford Youth World. AQHYA exhibitors will have the choice to nationally qualify by the end of the qualifying period, April 30, 2021, or will be required to meet state/provincial affiliate requirements. Affiliates will not have a cap on the total number of entries per class or for the show. Youth should contact their youth adviser for more details on their local affiliate's entry requirements. The entry process for the 2021 Ford Youth World will remain with the youth advisers as it has been in previous years. AQHA staff and Show Council have continued to monitor the situation for each championship show to determine if modifications need to be made due to the pandemic. We will continue to update our members are more information is release.

Please continue to check back for more new and exciting information each month. Please reach out to us if you have any questions or comments.

See you at next show!
